Issued as of 5 p.m.

Travel Alert issued for portions of northeast North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have issued a **Travel Alert** for portions of northeast North Dakota due to wet roads that may become slippery as temperatures fall overnight. Cities included in the **Travel Alert** are Grand Forks, Michigan, Adams, Grafton, Cavalier, Drayton, Pembina and surrounding areas. A **Travel Alert** means conditions are such that **motorists can still travel** in these areas, but should be advised of rapidly changing conditions. Motorists are encouraged to reduce speeds and drive according to the conditions.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: www.dot.nd.gov. NDDOT releases information to inform the public about travel conditions throughout the state.
